Dear Sir/Madam:

Our records indicate that you have failed to pay the parking citation(s) listed below. Your original fine has now increased and an additional \$25 penalty has been added. Failure to satisfy the total amount due prior to 09/30/2025 will result in the DMV withholding the renewal of your vehicle registration, increased penalties consisting of a DMV fee, a Special Collection Fee, and the assignment of this matter to a collection agency. In addition to the above, the City of Los Angeles may take legal action to satisfy the outstanding fine(s). These may include entering a civil judgment against you, which can result in the following actions: seizing property, garnishment of wages, and additional court action.

To avoid any or all of the above actions and the associated costs, you must immediately satisfy this case prior to 09/30/2025 by paying the total amount specified below. Please see the reverse side of this notice for payment information.

Payment plans are available for indigent and eligible low-income customers. If you are experiencing homelessness, please inquire about the Community Assistance Parking Program (CAPP).
